## **COURTYARD IN AUSTIN, TEXAS COMPLETES A MAJOR ROOMS RENOVATION**

***Thoughtfully planned guestroom renovations make both the business and leisure traveler feel at home and comfortable***

Austin, Texas – Feb 10, 2016 – The 102-room Courtyard by Marriott located at 9409 Stonelake Boulevard in Austin, Texas has completed a major renovation of its guestrooms. The Courtyard Austin Northwest Arboretum also now offers a comfortable and stylish room design. The Courtyard Austin Northwest Arboretum operates as a Marriott franchise, owned by RLJ Lodging Trust and is managed by White Lodging.

Thoughtfully planned, each room features plush bedding, a functional work space, spacious bathrooms, a separate seating area and complimentary in-room high-speed Internet. Providing a warm, sophisticated environment, the hotel's rooms accommodate guests' desire to stay connected, productive and refreshed during their stay. Additionally, the new room design features new microwaves, refrigerators and electric ports in all guestrooms.

“From day one, Courtyard has prided itself as a brand that listens to what travelers want from a hotel,” said Janis Milham, vice president and global brand manager, Courtyard. “Guests want more control and choice with services and amenities that create a healthy balance between working and relaxing. The Courtyard lobby invites guests to get out of their rooms to work, socialize or be entertained, whether traveling alone or with colleagues.”

The open, bright and contemporary Courtyard hotel lobby welcomes guests with vivid contrasting colors, including blue, green, orange and red. The traditional front desk is replaced with separate welcome pedestals to create more personal and private interactions when guests check in and allow staff to show guests the lobby features and

provide assistance. Adaptable seating options range from a communal table in the middle of the action, to more private media booths with high-definition televisions, to a more intimate, semi-enclosed lounge area.

Dining has also been completely redesigned with The Bistro – Eat. Drink. Connect.<sup>®</sup>, offering casual, flexible seating; easier access to food and higher quality, healthier menu options for breakfast; and light evening fare, including snacks, cocktails, wine and beer so guests can unwind. Coffee lovers can also enjoy freshly brewed Starbucks coffee. The Market<sup>™</sup>, a 24/7 shop for snacks, beverages and sundries, is always open for late-night cravings or the toothpaste guests may have forgotten to pack.

Throughout the hotel, guests can connect to complimentary Wi-Fi, and there are ample electrical outlets in the lobby to power digital devices. The business library features several computer terminals, along with a printer and separate computer stations dedicated solely to printing airline boarding passes and checking flight status.

Green has been Courtyard's signature color since Marriott launched the brand 25 years ago. Now it is even greener with the introduction of a guest recycling program for the environment. Receptacles for paper, glass, plastic and metal are conveniently located by side exits.

Courtyard by Marriott offers a refreshing environment that helps guests stay connected, productive and balanced. Intuitive services and design accommodate guests' needs for choice and control. With more than 1,000 locations in 38 countries and territories, Courtyard hotels participate in the award-winning Marriott Rewards<sup>®</sup> frequent travel program that allows members to earn hotel points or airline miles for every dollar spent during each stay.
