New furniture including chairs and beds, 37-inch flat screen televisions and luxurious bathrooms with extra storage space make it possible for travelers to live and rest comfortably. Contemporary and stylish décor, featuring natural light and refreshing colors are all elements that improve guests' productivity and energy.

The renovated public areas include updates to the heated indoor pool and hot tub, fitness center, patio area with BBQ grill and outdoor fireplace. These areas are now perfectly designed to help guests maximize your free time during their stay. The hotel also updated many of the amenities guests enjoy every day including our breakfast area, business center, lobby, front desk and public restrooms.
