RESIDENCE INN BY MARRIOTT LAKE FOREST METTAWA UNVEILS ROOM RENOVATION
Total redesign of suites allow extended-stay guests to thrive on the road

Mettawa, IL - July 1, 2016 - The Residence Inn by Marriott in Mettawa, IL has undergone a complete renovation of its 130 suites, transforming them into upscale guestrooms, designed to enhance the comfort and lifestyle of travelers on the road today.

Guests can enjoy a variety of activities located near the Residence Inn Lake Forest Mettawa. The hotel is located eight miles from Six Flags Great America and the Gurnee Outlet Mall. The Great Lakes Naval Base is just 12 miles away, and the Chicago Botanic Gardens are 10 miles from the hotel.

“The updated guestrooms, contemporary lobby and refreshed meeting space will provide a memorable and unique guest experience,” said Sandra Stanley, general manager. “Guests will enjoy modernized guestrooms complete with new furnishings creating space to Live, Work and Relax. The enhanced dining area will provide a pleasant and enjoyable atmosphere to start your day with a fresh breakfast.”

The hotel offers 85 Studio Suites, 35 One Bedroom Suites and 10 Two Bedroom Suites which offer accommodations that are larger than traditional hotel guestrooms. The spacious layout provides separate zones where guests can relax, work, eat and sleep, thereby maintaining their routines while away from home. The updated kitchens outfitted with full-sized refrigerators and stainless steel appliances make living on the road easier for both business travelers on long stays and families on holiday. With a larger, expansive workspace, complimentary high-speed Internet access and a multitude of easily accessible outlets, guests are able to work efficiently throughout the suite. New sectional sofas, 37 inch flat screen televisions and luxurious bathrooms with extra storage space make it possible for travelers to live and rest comfortably. Contemporary and stylish décor, featuring natural light and refreshing colors are all elements that improve guests’ productivity and energy.
